**MESA EMPLOYEES SUPPORT ARMED FORCES**

**Costa Mesa, Calif.** – Mesa Consolidated Water District's (Mesa) Board of Directors and employees are showing their support for the brave men and women overseas by personally donating much needed items and money for shipping.

The first of several boxes was sent last week to a Medevac Unit stationed in Iraq. One of the members of the unit, a relative of a Mesa employee, provided a list of items that would make their stay a little more comfortable. Mesa's staff enthusiastically contributed to the collection and included personal letters of support and thanks.

"We had a wonderful opportunity to support these courageous individuals," said Diana M. Leach, General Manager. "It was very rewarding to see how many members of our Mesa family were eager to give so much."

Mesa employees plan to continue collections and periodically send additional packages to the Medevac Unit in Iraq.

Mesa provides water service to more than 100,000 customers in an 18 square-mile area. The service area includes the city of Costa Mesa, parts of Newport Beach, and the John Wayne Airport. Mesa is dedicated to satisfying our community's water needs.
