**MESA'S WATER-WISE DEMONSTRATION GARDEN
FEATURED AT 2006 ORANGE COUNTY FAIR**

Costa Mesa, Calif. – Mesa Consolidated Water District's (Mesa) Board of Directors (Board) announces that its water-wise Demonstration Garden will be featured at the 2006 Orange County Fair (Fair). The Fair will begin on July 7, 2006.

The theme for the Fair this year is "Flower Power, Year of the Garden." Mesa's Demonstration Garden features a variety of beautiful California friendly plants, landscaping design ideas, and irrigation systems.

"The Board wanted to offer fairgoers a unique resource to assist with reducing outdoor water usage," said Paul E. Shoenberger, Board President. "We invite visitors to browse and enjoy Mesa's garden."

The Demonstration Garden is located in front of the Floral Competition Building in the Centennial Farm area.

Mesa's Board and staff will be providing demonstrations in the garden throughout the fair and will be available to answer questions. Additional information and a complete Demonstration Schedule is available on Mesa's website at www.mesawater.org, or by calling (949) 631-1205.

Mesa provides water service to more than 100,000 customers in an 18 square-mile area. The service area includes the city of Costa Mesa, parts of Newport Beach, and the John Wayne Airport. Mesa is dedicated to satisfying our community's water needs.
